**EXO 14:15** And the LORD said unto Moses, Wherefore criest thou unto me? speak unto the children of Israel, that they go forward:

**16** **But lift thou up thy rod, and stretch out thine hand over the sea, and divide it: and the children of Israel shall go on dry ground through the midst of the sea.**

What is it about this mysterious rod that Moses used to part the Red Sea? Where did it come from and why did it possess these unique and miraculous properties? Why did it become a serpent when Moses threw it down before Pharaoh? Why might it be an almond rod?

**EXO 7:10 And Moses and Aaron went in unto Pharaoh, and they did so as the LORD had commanded: and Aaron cast down his rod before Pharaoh, and before his servants, and it became a serpent.**

### **TEN MIRACLES IN EGYPT AND THE ALMOND ROD**

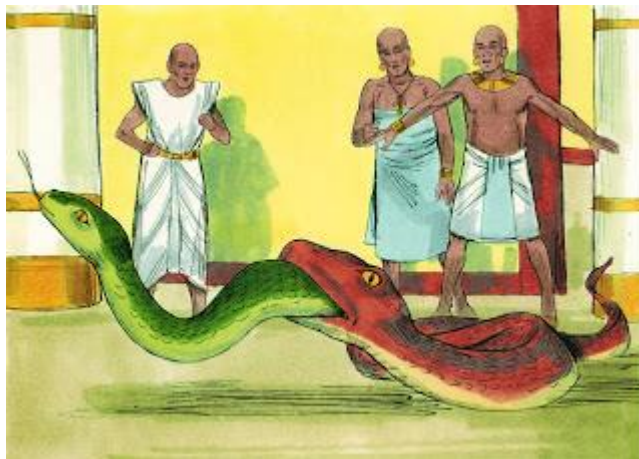

**EXO 7:15 Get thee unto Pharaoh in the morning; lo, he goeth out unto the water; and thou shalt stand by the river's brink against he come; and the rod which was turned to a serpent shalt thou take in thine hand.**

**16 And thou shalt say unto him, The LORD God of the Hebrews hath sent me unto thee, saying, Let my people go, that they may serve me in the wilderness: and, behold, hitherto thou wouldest not hear.**

**11 Then Pharaoh also called the wise men and the sorcerers: now the magicians of Egypt, they also did in like manner with their enchantments.**

**12 For they cast down every man his rod, and they became serpents: but Aaron's rod swallowed up their rods.**

**13 And he hardened Pharaoh's heart, that he hearkened not unto them; as the LORD had said.**

### WE WILL TRACE THE ROD BACK TO THE BURNING BUSH

EXO 4:1 And Moses answered and said, But, behold, they will not believe me, nor hearken unto my voice: for they will say, The LORD hath not appeared unto thee.

2 And the LORD said unto him, **What is that in thine hand? And he said, A rod.**

EXO 4:3 And he said, Cast it on the ground. And he cast it on the ground, and it became a serpent; and Moses fled from before it.

4 And the LORD said unto Moses, **Put forth thine hand, and take it by the tail. And he put forth his hand, and caught it, and it became a rod in his hand:**

5 That they may believe that the LORD God of their fathers, the God of Abraham, the God of Isaac, and the God of Jacob, hath appeared unto thee. ...

10 And Moses said unto the LORD, O my Lord, I am not eloquent, neither heretofore, nor since thou hast spoken unto thy servant: but I am slow of speech, and of a slow tongue. ...

14 And the anger of the LORD was kindled against Moses, and he said, Is not Aaron the Levite thy brother? I know that he can speak well. And also, behold, he cometh forth to meet thee: and when he seeth thee, he will be glad in his heart.

15 And thou shalt speak unto him, and put words in his mouth: and I will be with thy mouth, and with his mouth, and will teach you what ye shall do.

16 **And he shall be thy spokesman unto the people:** and he shall be, even he shall be to thee instead of a mouth, and thou shalt be to him instead of God.

17 **And thou shalt take this rod in thine hand, wherewith thou shalt do signs.**

EXO 7:10 And Moses and Aaron went in unto Pharaoh, and they did so as the LORD had commanded: and **Aaron cast down his rod before Pharaoh**, and before his servants, and it became a serpent.

**MOSES' AND AARON'S ROD WERE ONE AND THE SAME  
WHY WAS THIS ALMOND ROD SO POWERFUL?**

## AND HOW DO WE KNOW IT WAS AN ALMOND ROD?

NUMBERS 17:1 And the LORD spake unto Moses, saying,

2 Speak unto the children of Israel, and take of every one of them a rod according to the house of their fathers, of all their princes according to the house of their fathers twelve rods: write thou every man's name upon his rod.

3 And thou shalt write Aaron's name upon the rod of Levi: for one rod shall be for the head of the house of their fathers.

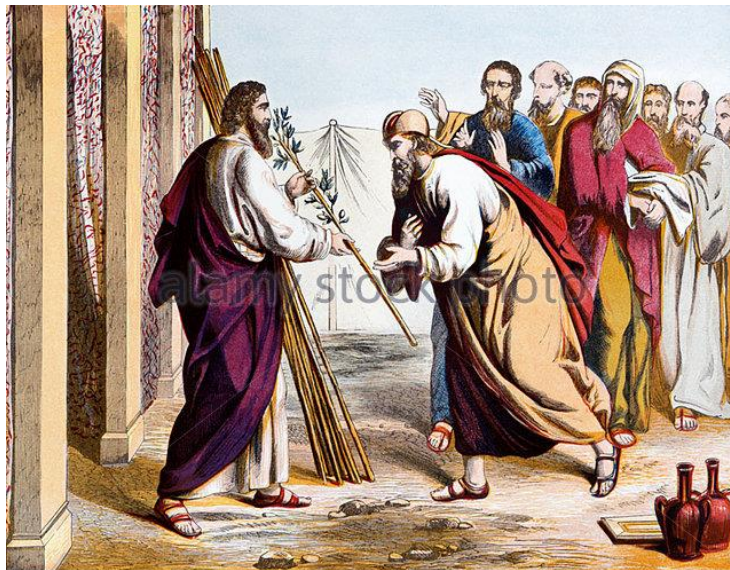

4 And thou shalt lay them up in the tabernacle of the congregation before the testimony, where I will meet with you.

5 And it shall come to pass, that the man's rod, whom I shall choose, shall blossom: and I will make to cease from me the murmurings of the children of Israel, whereby they murmur against you.

6 And Moses spake unto the children of Israel, and every one of their princes gave him a rod apiece, for each prince one, according to their fathers' houses, even twelve rods: and the rod of Aaron was among their rods.

7 And Moses laid up the rods before the LORD in the tabernacle of witness.

8 And it came to pass, that on the morrow Moses went into the tabernacle of witness; and, behold, the rod of Aaron for the house of Levi was budded, and brought forth buds, and bloomed blossoms, and yielded almonds.

## WHERE DID MOSES GET HIS ALMOND ROD?

EXO 4:1 And Moses answered and said, But, behold, they will not believe me, nor hearken unto my voice: for they will say, The LORD hath not appeared unto thee.

2 And the LORD said unto him, **What is that in thine hand? And he said, A rod.**

**IS THERE A BACKGROUND STORY FOR THESE LEGENDS?**

<https://hardcorechristian.files.wordpress.com/2011/04/sword-in-stone.jpg>

**King Authur, a king who united Britain, became aware of his destiny when he pulled the sword out of the stone anvil.**

<http://blog.underoverarch.co.nz/wp-content/uploads/2016/08/alexcuttinggordionknot.jpg>

**The Legend goes that an oracle declared that any man who untied the Gordian know would go on to rule Asia. Alexander the Great attempted to untie the knot binding the ox cart to the wall. Frustrated, he took his sword and cut the knot.**

**WHERE DID MOSES GET THE ALMOND ROD?**

**Jasher 77:25** And God saw the burden of the children of Israel, and their heavy work in those days, and he determined to deliver them. ...

**38** And afterward Moses went into the garden of Reuel which was behind the house, and he there prayed to the Lord his God, who had done mighty wonders for him.

**39** And it was that whilst he prayed he looked opposite to him, and behold a sapphire stick was placed in the ground, which was planted in the midst of the garden.

**40** And he approached the stick and he looked, and behold the name of the Lord God of hosts was engraved thereon, written and developed upon the stick.

**INTERESTING STORY– BUT DOES THIS BOOK OF “JASHER” HAVE VALIDITY?**

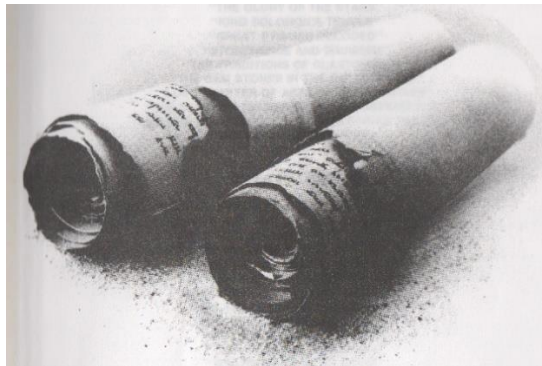

Image from 1840 Translation Book

Those that have difficulty believing the miracles of the Bible probably will have difficulty believing the accounts in the book of Jasher—they apparently are cut from the same cloth. Accounts are established in the mouths of two or three witnesses. The book of Jasher is referenced twice by the Bible.

**JOS 10:13** And the sun stood still, and the moon stayed, until the people had avenged themselves upon their enemies. **Is not this written in the book of Jasher?** So the sun stood still in the midst of heaven, and hasted not to go down about a whole day.

**2SA 1:18** (Also he bade them teach the children of Judah the use of the bow: **behold, it is written in the book of Jasher.**)

The book of Jasher is a cocurrent account of Biblical history from the time of creation until the book of Judges. The Jasher quote above is from an 1840 edition translation from Hebrew to English. It is usually viewed as an historical account but not necessarily a sacred source.

**CONTINUING WITH THE ACCOUNT OF MOSES AND THE STICK**

JASHER 77: 41 And he read it and stretched forth his hand and he plucked it like a forest tree from the thicket, and the stick was in his hand.

42 And this is the stick with which all the works of our God were performed, after he had created heaven and earth, and all the host of them, seas, rivers and all their fishes.

43 And when God had driven Adam from the garden of Eden, he took the stick in his hand and went and tilled the ground from which he was taken.

44 And the stick came down to Noah and was given to Shem and his descendants, until it came into the hand of Abraham the Hebrew.

45 And when Abraham had given all he had to his son Isaac, he also gave to him this stick.

46 And when Jacob had fled to Padan-aram, he took it into his hand, and when he returned to his father he had not left it behind him.

47 Also when he went down to Egypt he took it into his hand and gave it to Joseph, one portion above his brethren, for Jacob had taken it by force from his brother Esau.

48 And after the death of Joseph, the nobles of Egypt came into the house of Joseph, and the stick came into the hand of Reuel the Midianite, and when he went out of Egypt, he took it in his hand and planted it in his garden.

49 And all the mighty men of the Kinites tried to pluck it when they endeavored to get Zipporah his daughter, but they were unsuccessful.

50 So that stick remained planted in the garden of Reuel, until he came who had a right to it and took it.

51 And when Reuel saw the stick in the hand of Moses, he wondered at it, and he gave him his daughter Zipporah for a wife.

## MOSES' DESTINY WAS COMMISSIONED IN A SIMILAR WAY TO JEREMIAH'S

JER 1:5 Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations.

6 Then said I, Ah, Lord GOD! behold, I cannot speak: for I am a child. ...

JER 1:11 Moreover the word of the LORD came unto me, saying, Jeremiah, what seest thou? And I said, I see a rod of an almond tree.

12 Then said the LORD unto me, Thou hast well seen: for I will hasten my word to perform it.

# Moses' Mysterious Almond Rod

## WHAT IS THE SYMBOLISM OF ALMONDS?

**CLUE 1: They are intertwined with the performance of the word of God.**

JEREMIAH 1:11 Moreover the word of the LORD came unto me, saying, Jeremiah, what seest thou? And I said, **I see a rod of an almond tree.**  
12 Then said the LORD unto me, Thou hast well seen: for I will hasten **my word to perform it.**

**CLUE 2: The almonds symbolize the creative light.**

GEN 1:3 And God said, **Let there be light:** and there was light.

**CLUE 3: The Hebrew candlestick is symbolic of creative light.**

EXO 25:33 Three bowls made like unto **almonds**, with a knop and a flower in one branch; and three bowls made like **almonds** in the other branch, with a knop and a flower: so in the six branches that come out of the candlestick.  
34 And in the **candlestick** shall be four bowls made like unto **almonds**, with their knops and their flowers.

**CLUE 4: There twenty-two almonds in the Hebrew candlestick and also the spoken, creative word of God – the Hebrew alphabet has twenty-two letters.**

# THE POWER OF THE ALMOND ROD IN THE SINAI

[http://2.bp.blogspot.com/--uuMx694yMM/Tgdhg7uOOXI/AAAAAAAAA8/Uf4sbYI0\\_kE/s1600/5.jpg](http://2.bp.blogspot.com/--uuMx694yMM/Tgdhg7uOOXI/AAAAAAAAA8/Uf4sbYI0_kE/s1600/5.jpg)

Imagine an eleven year old boy gaining access to a Ferrari with a top speed of over 200 mph – what dangers might lurk unless such power is handled appropriately? Moses learned a lesson about handling the power of the almond rod – a lesson that cost him dearly.

**NUM 20:8** Take the rod, and gather thou the assembly together, thou, and Aaron thy brother, and **speak ye unto the rock** before their eyes; and it shall give forth his water, and thou shalt bring forth to them water out of the rock: so thou shalt give the congregation and their beasts drink.

**9** And **Moses took the rod from before the LORD**, as he commanded him.

**10** And Moses and Aaron gathered the congregation together before the rock, and he said unto them, **Hear now, ye rebels**; must we fetch you water out of this rock?

**11** And Moses lifted up his hand, **and with his rod he smote the rock twice**: and the water came out abundantly, and the congregation drank, and their beasts also.

**12** And the LORD spake unto Moses and Aaron, Because ye believed me not, to sanctify me in the eyes of the children of Israel, **therefore ye shall not bring this congregation into the land which I have given them.**

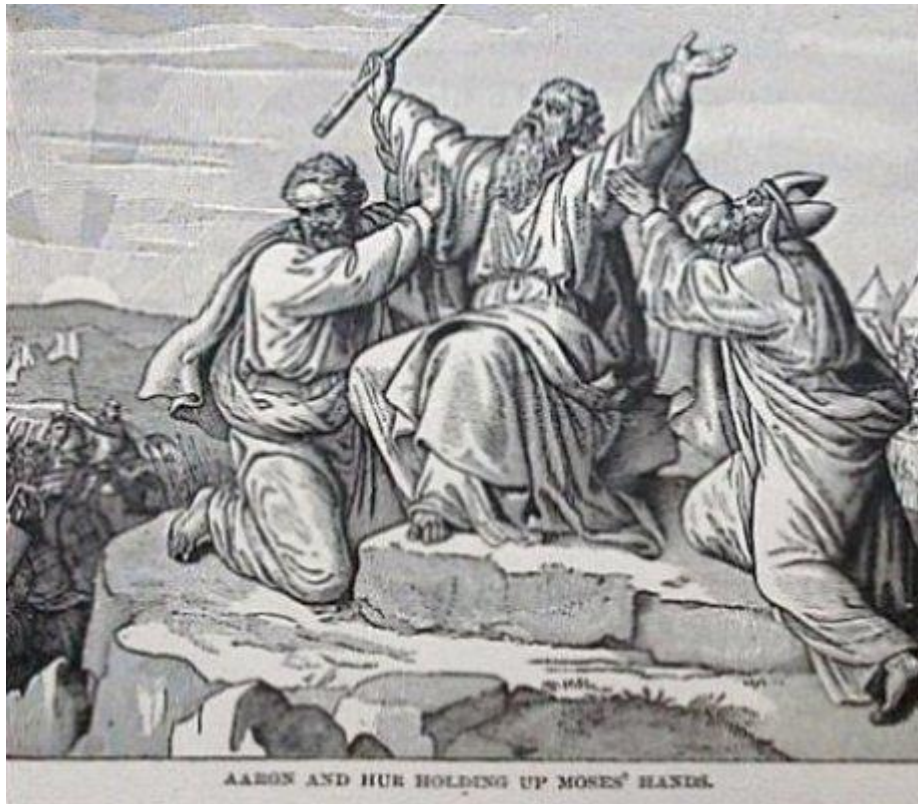

**13** This is the water of Meribah; because the children of Israel strove with the LORD, and he was sanctified in them.

<https://www.friendsandheroes.com/sites/default/files/mediasite/files/small/moses-strikes-the-rock-sm.jpg>

The almond rod was to be used with the power of the spoken word. It was to be used for the people of Israel – not against them.

### THE POWER OF THE ALMOND ROD AGAINST ISRAEL'S ENEMIES

[https://i1.wp.com/www.the-exponent.com/wp-content/uploads/2013/05/moses\\_aaron\\_hur.jpeg](https://i1.wp.com/www.the-exponent.com/wp-content/uploads/2013/05/moses_aaron_hur.jpeg)

**EXO 17:8** Then came Amalek, and fought with Israel in Rephidim.

**9** And Moses said unto Joshua, Choose us out men, and go out, fight with Amalek: to morrow **I will stand on the top of the hill with the rod of God in mine hand.**

**10** So Joshua did as Moses had said to him, and fought with Amalek: and Moses, Aaron, and Hur went up to the top of the hill.

**11** **And it came to pass, when Moses held up his hand, that Israel prevailed: and when he let down his hand, Amalek prevailed.**

**12** But Moses hands were heavy; and they took a **stone**, and put it under him, and he sat thereon; and Aaron and Hur stayed up his hands, the one on the one side, and the other on the other side; and his hands were steady until the going down of the sun.

**13** And Joshua discomfited Amalek and his people with the edge of the sword.

For modern day Bible students, it is a somewhat shocking realization that Abraham, Isaac and Jacob were not blessed with the Torah as a source of guidance. They simply had to rely on their faith in God. It was Moses, the possessor of the almond rod, who was to receive the written word of God as later recorded in the Torah. How might the written word of God have a relationship to almonds?

# THE TABERNACLE IN THE WILDERNESS

EXO 20:18 And all the people saw the thunderings, and the lightnings, and the noise of the trumpet, and the mountain smoking: and when the people saw it, they removed, and stood afar off.

19 And they said unto Moses, **Speak thou with us, and we will hear: but let not God speak with us, lest we die.**

20 And Moses said unto the people, Fear not: for God is come to prove you, and that his fear may be before your faces, that ye sin not.

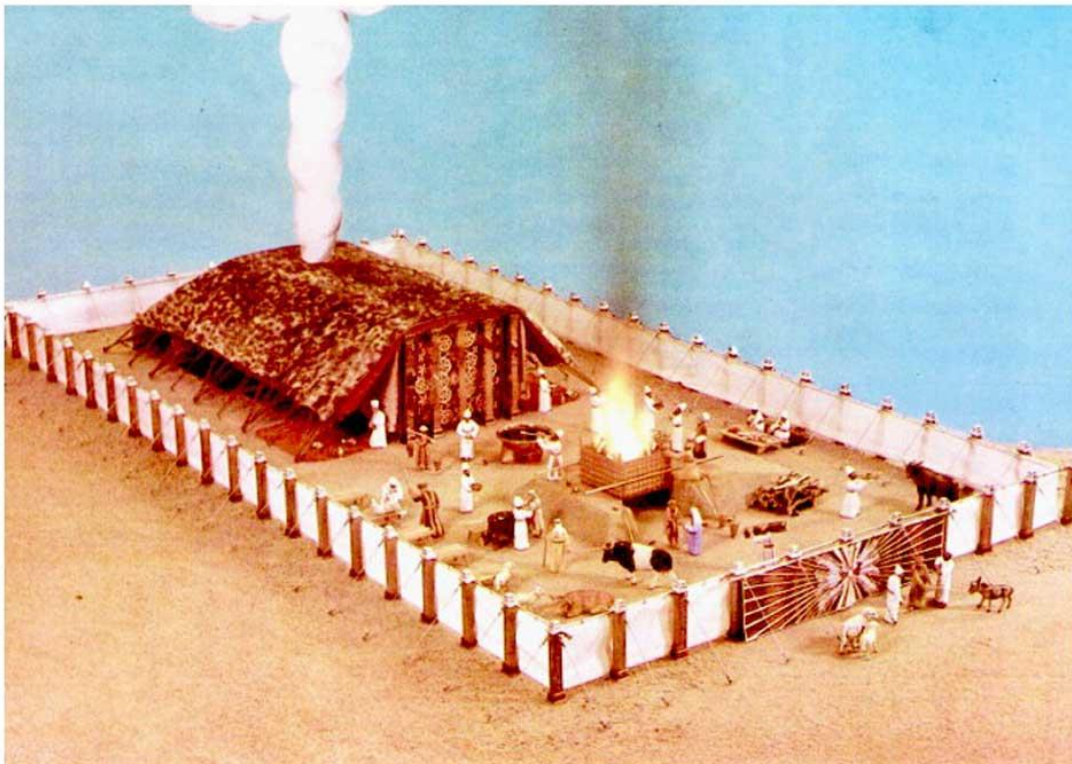

21 And the people stood afar off, and **Moses drew near unto the thick darkness where God was.**

25:1 And the LORD spake unto Moses, saying,

2 Speak unto the children of Israel, that they bring me an offering: of every man that giveth it willingly with his heart ye shall take my offering. ...

8 And **let them make me a sanctuary**; that I may dwell among them.

9 According to all that I shew thee, after the **pattern of the tabernacle**, and the pattern of all the instruments thereof, even so shall ye make it.

<http://templebuildersministry.com/tabernacleimages/tabernacle17enlargement.jpg>

The view from the outside of the tabernacle showed mainly arrangements for sacrifice of sheep, bulls and goats. However, hidden within a tent covered with

badger skin was a sanctuary and within this sanctuary was a device fashioned after almonds. What might this hidden symbolism be?

## MOSES RECEIVES THE WRITTEN WORD

EXO 31:17 It is a sign between me and the children of Israel for ever: for in six days the LORD made heaven and earth, and on the seventh day he rested, and was refreshed.

18 And he gave unto Moses, when he had made an end of communing with him upon mount Sinai, **two tables of testimony, tables of stone, written with the finger of God.**

WHAT ALPHABET DID GOD USE TO WRITE ON THE TABLETS?

HERE IS A CLUE FROM THE CANDLESTICK HIDDEN IN THE TABERNACLE

EXO 25:31 And thou shalt make a candlestick of pure gold: of beaten work shall the candlestick be made: his shaft, and his branches, his bowls, his knops, and his flowers, shall be of the same.

32 And **six branches** shall come out of the sides of it; three branches of the candlestick out of the one side, and three branches of the candlestick out of the other side:

33 **Three bowls made like unto almonds, with a knop and a flower in one branch;** and three bowls made like almonds in the other branch, with a knop and a flower: so in **the six branches** that come out of the candlestick.

34 And in the candlestick shall **be four bowls made like unto almonds,** with their knops and their flowers.

35 And there shall be a knop under two branches of the same, and a knop under two branches of the same, and a knop under two branches of the same, according to the six branches that proceed out of the candlestick.

Six Branches X Three Almonds per Branch = 18 almonds  
One Main Stem with Four Almonds = 4 almonds

## PSALM 119 LISTS ALL TWENTY-TWO LETTERS OF THE HEBREW ALPHABET

When one reads Psalm 119 in English, a peculiar arrangement is noticed. Each Hebrew letter is listed from Aleph to the 22<sup>nd</sup> letter Tau. Each letter heading has eight verses following it before beginning with the next letter. However, something even more unusual is in this structure – it is known as an acrostic. If you were reading in Hebrew, you would notice that verses 1 through 8 begin with the letter Aleph. And then the next eight verses begin with the letter Beth. And this structure repeats throughout the entire Hebrew alphabet – even for the 22<sup>nd</sup> letter Tau.

## DID GOD WRITE IN HEBREW WITH HIS FINGER ON THE TABLES OF STONE?

<https://pearlsofprofundity.files.wordpress.com/2014/01/moses-tablets-fire-1.jpg>

## MOSES WAS ON THE MOUNTAIN WHEN GENESIS WAS WRITTEN WHAT ALPHABET WAS USED?

**EXO 33:17** And the LORD said unto Moses, I will do this thing also that thou hast spoken: for thou hast found grace in my sight, and I know thee by name.

**18** And he said, I beseech thee, shew me thy glory.

**19** And he said, **I will make all my goodness pass before thee**, and I will proclaim the name of the LORD before thee; and will be gracious to whom I will be gracious, and will shew mercy on whom I will shew mercy.

<https://www.godswill.in/wp-content/uploads/2017/05/download-1-260x145.jpg>

After Moses was hidden in the cliff of the rock, and the goodness of the Lord passed by him, he was instructed to prepare stone tablets. What alphabet was used to write upon these tablets?

**EXO 34:1** And the LORD said unto Moses, Hew thee two tables of stone like unto the first: and **I will write upon these tables the words** that were in the first tables, which thou brakest.

- 2 And be ready in the morning, and come up in the morning unto mount Sinai, and present thyself there to me in the top of the mount.
- 3 And no man shall come up with thee, neither let any man be seen throughout all the mount; neither let the flocks nor herds feed before that mount.
- 4 And he hewed **two tables of stone like unto the first**; and Moses rose up early in the morning, and went up unto mount Sinai, as the LORD had commanded him, and took in his hand the two tables of stone.
- 5 And the LORD descended in the cloud, and stood with him there, and proclaimed the name of the LORD.
- 6 And the LORD passed by before him, and proclaimed, The LORD, The LORD God, merciful and gracious, longsuffering, and **abundant in goodness and truth**,

## WHAT DID MOSES OBSERVE WHEN THE GOODNESS OF THE LORD PASSED BEFORE HIM?

**GEN 1:1** In the beginning God created the heaven and the earth.

**2** And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.

**3** And God said, Let there be light: and there was light.

**4** And God saw the light, that **it was good**: and God divided the light from the darkness.

**5** And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day.

The Rabbi's generally agree that Moses wrote the first chapters of the book of Genesis. How did Moses know what to write? Did God treat him to a holographic time capsule by passing the goodness of creation before him so that he might record it? When one goes through chapter 1, there are seven instances of the goodness of God – where God observed that **"it was good"** or even **"very good"**.

**ISA 29:16** Surely your turning of things upside down shall be esteemed as the potter's clay: for shall the work say of him that made it, He made me not? **or shall the thing framed say of him that framed it**, He had no understanding?

The world of quantum mechanics, the essence of creation, is a very strange world indeed. It seems that something is framed by the spoken word of God and then it

must be “observed” or “seen” for it to manifest in the physical world. Einstein was puzzled by the need for observation. A clever physicist penned this poem.

A Poem by (Fred Kuttner. PhD: Physics Dept. UC Santa Cruz (Book: *Quantum Enigma*, page 175)

*The Question*

There was a young fellow named Todd  
Who said, “It’s exceedingly odd  
To think this tree  
Should continue to be  
When there’s no one in the Quad

*God’s Reply*

There is nothing especially odd;  
I am always about in the Quad  
And that’s why this tree  
Can continue to be  
When observed by  
Yours faithfully, God

## THE GOODNESS OF GOD THAT PASSED BY MOSES

**GENESIS 1:3–31:** And **God said, Let there be light:** and there was light. **And God saw the light,** that **it was good:** and God divided the light from the darkness....

And **God called** the dry land Earth; and the gathering together of the waters called he Seas: and **God saw** that **it was good.**....

And **God said,** Let the earth bring forth grass, the herb yielding seed, and the fruit tree yielding fruit ... And the earth brought forth grass, and herb yielding seed after his kind, and the tree yielding fruit, whose seed was in itself, after his kind: and **God saw** that **it was good.**

And **God set** them in the firmament of the heaven to give light upon the earth, And to rule over the day and over the night, and to divide the light from the darkness: and **God saw** that **it was good.**....

And **God created** great whales, and every living creature that moveth, which the waters brought forth abundantly, after their kind, and every winged fowl after his kind: and **God saw** that **it was good.**...

And **God made** the beast of the earth after his kind, and cattle after their kind, and every thing that creepeth upon the earth after his kind: and **God saw** that **it was good.**....

So **God created** man in his own image, in the image of God created he him; male and female created he them.... And **God saw** every thing

that he had made, and, behold, **it was very good**. And the evening and the morning were the sixth day.

Moses came down from the mountain with the ten commandments, with the law and with the Genesis accounts. He, in effect, was God's scribe. He also brought with him the instructions for building the tabernacle in the wilderness. These instructions were given in writing. The details for building a house of the Lord were important as another Hebrew, King David, later on, penned this statement.

**1CH 28:19** All this, said David, the **LORD made me understand in writing** by his hand upon me, **even all the works of this pattern**.

**WHAT IS SO IMPORTANT ABOUT THE PATTERN OF THE TABERNACLE?**

## **THE CANDLESTICK PATTERN WAS INCREASED TEN-FOLD IN SOLOMON'S TEMPLE**

**EXO 25:9** According to all that I shew thee, after the pattern of the tabernacle, and the pattern of all the instruments thereof, even so shall ye make it.

**1CH 28:15** Even the weight for the candlesticks of gold, and for their lamps of gold, by weight for every candlestick, and for the lamps thereof: and for the candlesticks of silver by weight, both for the candlestick, and also for the lamps thereof, according to the use of every candlestick.

**2CH 4:7** And he made ten candlesticks of gold according to their form, and set them in the temple, five on the right hand, and five on the left.

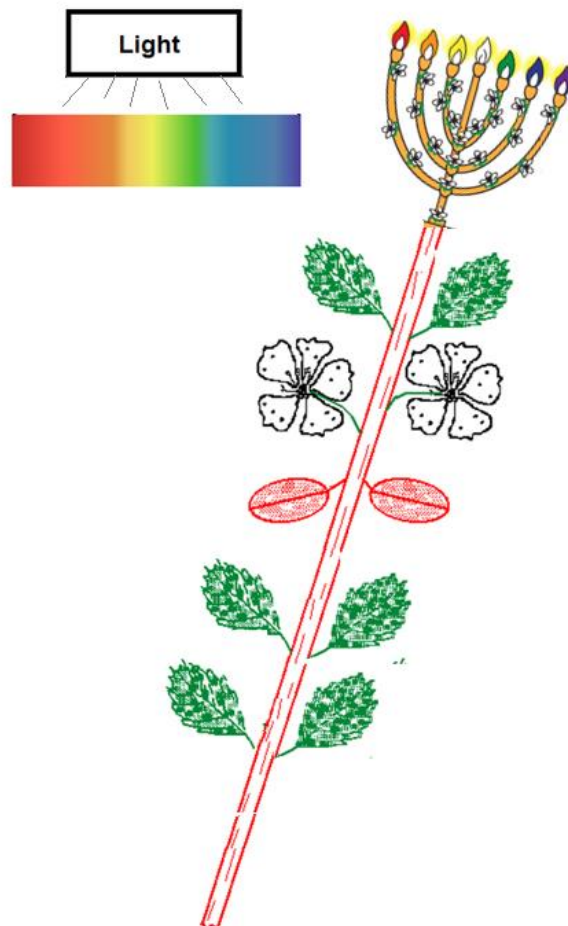

GEN 1:3 **And God said, Let there be light:** and there was light.

**IS THE LIGHT OF THE CANDLESTICK SYMBOLIC OF  
THE CREATIVE POWERS OF THE SPOKEN WORD OF GOD?**

**WHAT IS THE RELATIONSHIP BETWEEN THE SPOKEN WORD OF GOD,  
THE SPIRIT OF THE LORD AND THE ALMOND ROD?**

GEN 1:2 And the earth was without form, and void; and darkness was upon the face of the deep. **And the Spirit of God moved** upon the face of the waters.

3 **And God said, Let there be light:** and there was light.

ISA 11:1 And there shall come forth a rod out of the stem of Jesse, and a Branch shall grow out of his roots:

THE ALMOND ROD APPEARS ONCE AGAIN AS A ROD FROM THE STEM OF JESSE AND ITS SPIRITUAL COMPONENTS ARE NAMED

ISAIAH 11:2 And the spirit of the LORD shall rest upon him, the spirit of wisdom and understanding, the spirit of counsel and might, the spirit of knowledge and of the fear of the LORD;

THE CANDLESTICK IS SYMBOLIC OF THE SPIRIT OF GOD OPERATING ON THE SPOKEN WORD AS FRAMED WITH THE 22 ALMOND KNOP LETTERS OF THE HEBREW ALPHABET

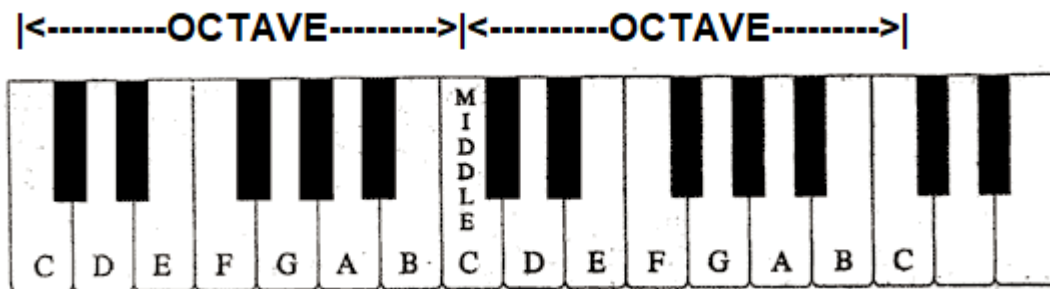

Consider the acrostic structure of Psalm 119 which lists the 22 letters of the Hebrew alphabet from Aleph, Beth, Gamma ... and so on to Tau.

Notice the letter א (Aleph) begins each of the first eight verses. And then Psalm 119 provides acrostic octets of each of letters ending up with 22<sup>nd</sup> Tau.

## PARALLELS BETWEEN FRACTALS AND THE CANDLESTICK

Fractals were “discovered” in the last century as the “cookie cutter” repeating pattern by which nature reproduces itself. These repeating patterns can be seen in pine cones, leaves, shore lines and are pervasive in nature as well as human and animal behavior. Above is what has been named as a Mandelbrot fractal which shows the mother cell with small daughter cells replicating out of it. Notice the similarity to the Hebrew candlestick. Is the Hebrew candlestick the very symbolic pattern of creation?

**EXO 25:8** And let them make me a sanctuary; that I may dwell among them.  
**9** According to all that I shew thee, **after the pattern of the tabernacle**, and the **pattern of all the instruments thereof**, even so shall ye make it.

## WHAT LANGUAGE DID THE ORIGINAL COUPLE SPEAK? HOW DID WE “PROGRESS” TO OVER 7000 LANGUAGES TODAY?

“Linguists have strived to catalogue this **7000 plus** these languages. The International Organization for Standardization (ISO) has integrated its codes into a draft international standard. The 15th edition of *Ethnologue* was the first edition to use this standard, called ISO 639-3. As of April 2012, the standard contains **7776 entries**. The inventory of languages is based on a number of sources including: the individual languages contained in 639-2, modern languages from the [Ethnologue](#), historic varieties, ancient languages and [artificial languages](#) from the [Linguist List](#), as well as languages recommended within the annual public commenting period.”

## WOULD THE HUMAN RACE BE BETTER SERVED IF THEY COULD ALL COMMUNICATE IN ONE LANGUAGE?

# WHEN WAS THE MOSES ERA ALPHABET DEVELOPED THAT WAS USED IN WRITING THE TEN COMMANDMENTS?

<http://indefenseofthecross.com/wp-content/uploads/2015/09/The-Ten-Commandments.jpg>

Conventional wisdom has been all over the map on where the alphabet using combinations of letters rather than pictographs began. One prominently proposed theory is that the Hebrew alphabet was an off-shoot of the early Phoenician alphabet.

## A CONUNDRUM: DID GOD HAVE TO WAIT FOR THE PHOENICIAN ALPHABET TO BE INVENTED BEFORE HE COULD WRITE THE TEN COMMANDMENTS?

Scholars have considered the Phoenician alphabet as the oldest verified alphabet and have placed it in a timeline of about 1050 B.C. On the other hand, the Exodus and Moses is placed in a general plus or minus era of 1300 to 1400 B.C. But, from time to time, archaeological studies give new insight to the timeline of alphabet development. **Rock carvings found in Egypt suggest that the alphabet traces back to about 2000 BCE.**

### THE IMPACT OF THE WADI-EL-HOL DISCOVERIES

(Photograph by Bruce Zuckerman and Marilyn Lundberg, West Semitic Research; Drawing by Marilyn Lundberg)

Studies of language initially assumed a gradual transition from Egyptian hieroglyphics to an alphabet. But, more recent information suggests a more abrupt transition to the alphabet which resulted from a Semitic source. David Sacks, in his book, *Letter Perfect*, discusses the beginning of the alphabet. On page 37 of his book, Sachs outlines the conclusions of Yale Egyptology professor John Darnell, who investigated myriad carvings at Wadi-el-Hol which is about thirty miles northwest of Luxor, Egypt:

By 1998, Darnell and others had reached a couple of dramatic conclusions. First, the two inscriptions are probably the oldest alphabetic writing yet discovered, certainly the oldest that can be dated confidently: They were carved in in about 1800 B.C., give or take a century. More important, the inscriptions can be viewed as signposts that point directly back to the alphabet's invention.

On the basis of the Wadi-el-Hol evidence, that invention is now assigned to around 2000 B.C. in Egypt—about three centuries earlier (and in a different country) than previously thought. “Finds in Egypt Date Alphabet in Earlier Era,” announced the front-page *New York Times* headline of a November 1999 piece reporting on the work. ...

Who were the inventors? Darnell believes they may have been in the Egyptian army: Semitic mercenaries or similar, whom the Egyptians would have called *Amu* (Asiatics).  
...

One last item of information. Quite near to one of the alphabetic inscriptions on the limestone wall is an Egyptian message mentioning someone named Bebi, titled as “expedition leader of the *Amu*.” This can't be co-incidence, Darnell maintains: The three inscriptions, alphabetic and Egyptian, were probably carved at the same time. If Bebi was Egyptian, leading a Semite troop on road patrol, then the “chief” of one alphabetic message could have been one of those Semites, a junior officer or tribal chieftain under Bebi's command.

David Sack's statement, “On the basis of the Wadi-el-Hol evidence, that invention is now assigned to around 2000 B.C. in Egypt ...” begs the question of whether any corroboration can be found of a Semite expedition into Egypt—perhaps of an economic/ambassadorial/military type in that time period?

## IN APPROXIMATELY 2000 B.C., ABRAM AND HIS “SISTER” SARAI VISIT PHARAOH IN EGYPT

**GEN 12:10** And there was a famine in the land: and Abram went down into Egypt to sojourn there; for the famine was grievous in the land.

**11** And it came to pass, when he was come near to enter into Egypt, that he said unto Sarai his wife, Behold now, I know that thou art a fair woman to look upon: ...

**18** And Pharaoh called Abram and said, What is this that thou hast done unto me? why didst thou not tell me that she was thy wife?

**19** Why saidst thou, She is my sister? so I might have taken her to me to wife: now therefore behold thy wife, take her, and go thy way.

**20** And Pharaoh commanded his men concerning him: and they sent him away, and his wife, and all that he had.

## WHY ARE THERE OVER 7000 LANGUAGES IN THE WORLD WHEN SOFTWARE PROGRAMS FOR SPOKEN WORD USE JUST A FEW PHONEMES?

A phoneme doesn't have any inherent meaning by itself, but when you put phonemes together, they can make words. The English language has 44 phonemes—24 consonants and 20 vowels.

1. /b/ – bat	13. /s/ – sun	1. /a/ – ant	13. /oi/ – coin

The number of voice recognition phonemes varies by language. Examples are French 39, Spanish 25, Mandarin 35, Japanese 22, Arabic 34 and Persian 32. And, of course, the ratio of consonants and vowels varies considerably. In written languages, vowel sounds may be given characters, and/or implied by an understood convention.

**GEN 11:1** And the whole earth was of one language, and of one speech.

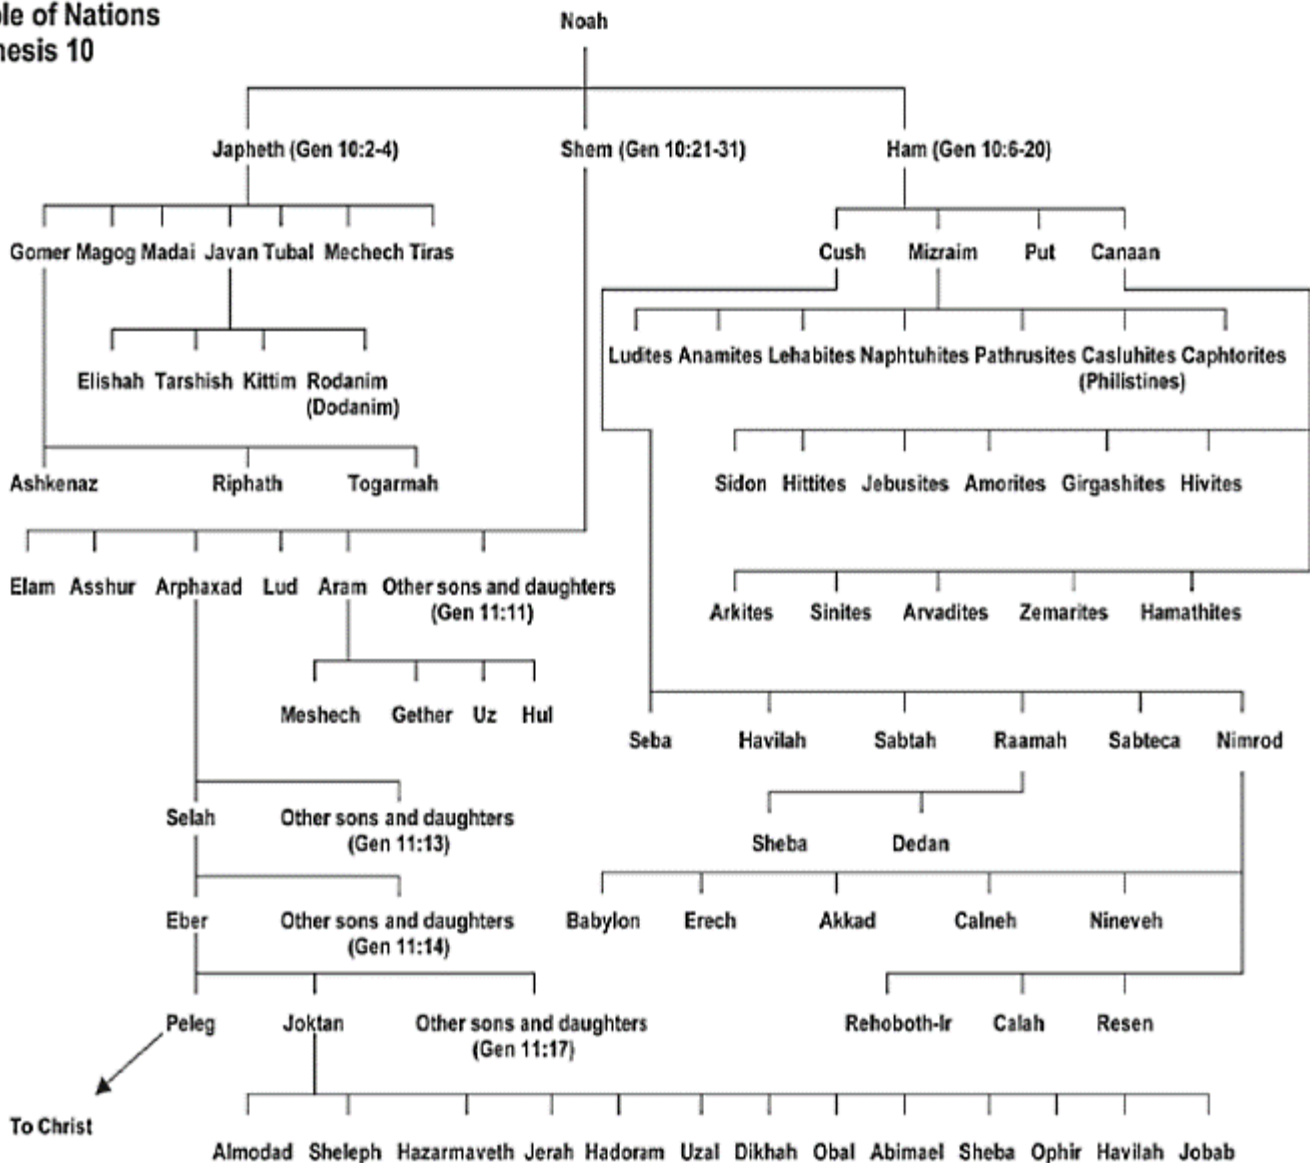

**2** And it came to pass, as they journeyed from the east, that they found a plain in the land of Shinar; and they dwelt there.

**3** And they said one to another, Go to, let us make brick, and burn them thoroughly. And they had brick for stone, and slime had they for mortar.

**4** And they said, Go to, let us build us a city and a tower, whose top may reach unto heaven; and let us make us a name, lest we be scattered abroad upon the face of the whole earth.

## WAS ABRAM IN CONTACT WITH NOAH AND THE PRE-FLOOD LANGUAGE?

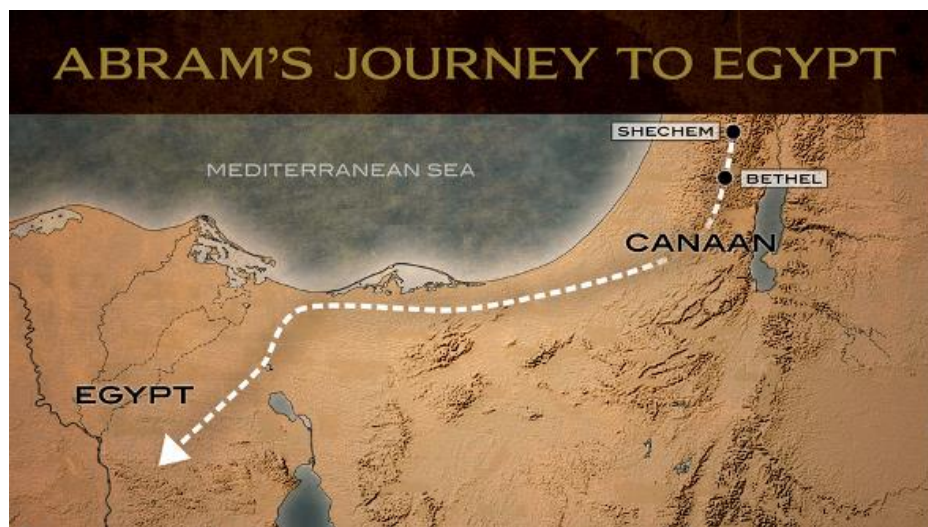

## ABRAM WAS INSTRUCTED BY NOAH AND SHEM PREVIOUS TO BABEL

**JASHER 9:5** And when Abram came out from the cave, he went to Noah and his son Shem, and he remained with them to learn the instruction of the Lord and his ways, and no man knew where Abram was, and Abram served Noah and Shem his son for a long time.

**6** And Abram was in Noah's house thirty-nine years, and Abram knew the Lord from three years old, and he went in the ways of the Lord until the day of his death, as Noah and his son Shem had taught him; and all the sons of the earth in those days greatly transgressed against the Lord, and they rebelled against him and they served other gods, and they forgot the Lord who had created them in the earth; and the inhabitants of the earth made unto themselves, at that time, every man his god; gods of wood and stone which could neither speak, hear, nor deliver, and the sons of men served them and they became their gods. ...

**23** And all the families assembled consisting of about six hundred thousand men, and they went to seek an extensive piece of ground to build the city and the tower, and they sought in the whole earth and they found none like one valley at the east of the land of Shinar, about two days' walk, and they journeyed there and they dwelt there.

### Background of the Discovery of the Inscriptions at Wadi-el-Hol:

“The **Theban Desert Road Survey** is an archaeological research project operated in conjunction with the [Egyptian Ministry of Culture's Supreme Council for Antiquities](#) that is being conducted in the [Western Desert](#) in [Egypt](#) that focuses on the ancient connections between [Thebes](#) and such settlements as the [Kharga Oasis](#). The project was begun by John Coleman Darnell and Deborah Darnell, who started searching along caravan trails in the Western Desert west of [Luxor](#) in the early 1990s under an approach they described as desert road archaeology. Among their discoveries are inscriptions found at Wadi el-Hol, dating back 3,800 years, which are in the [Proto-Sinaitic alphabet](#), some of the earliest known examples of phonetic alphabetic writing, in contrast to the pictographs used in [Egyptian hieroglyphs](#).” [https://en.wikipedia.org/wiki/Theban\\_Desert\\_Road\\_Survey](https://en.wikipedia.org/wiki/Theban_Desert_Road_Survey)

### SOME PECULIAR CHARACTERISTICS OF THE ANCIENT HEBREW LANGUAGE

It may seem shocking to us who are familiar with the a, e, i, o, u vowels to learn that ancient Hebrew did not have vowels, **each of the twenty-two characters is a consonant**. Consider the following short, but very illustrative discussion of the mechanics of addition of vowels. Check out the link for this website:

<https://en.wikibooks.org/wiki/Hebrew/Introduction/Alphabet#Consonants>

for a discussion on the absence of vowels. (accessed 5/17/2018)

At first, this may seem near impossible. However, if you apply this practice to English you will soon realize it is indeed possible to read in such a way.

## **FROM THE BOTTOM UP**

Linguists have been continually surprised as they have studied dialects to find fragments of Hebrew scattered in some of the most unlikely places. In order to do a decryption from the bottom up, a large amount of data must be read into the computer. Sources might be Ethnologue and/or ISO. Translation programs already in use would be helpful in linking graphic letters to phonemes.
